Mobile +41 78 808 10 96  
E-Mail ivo.scherrer@swiss-economics.ch

### Area of Expertise

Ivo Scherrer's consulting practice focuses on strategic and regulatory challenges that permeate network industries. Combining quantitative with qualitative methods, he advises stakeholders in the energy sector on how best to meet the challenges arising from continued international market integration and from structural shifts toward renewables.

Ivo holds a MA in International Economic Policy and Energy Policy from Sciences Po Paris and a MA in International Affairs and Governance from the University of Sankt Gallen.
